- Introductions
- Minutes from 11/28/2011 were approved.
- No ice breaker as the room set up was not conducive to doing one.
- 4 district AODA: Ethan reports that Stars and Stripes Bowling Alley in Wyoming, MN (has laser tag, bowling, pizza, etc.) for the site of post prom. Ethan handed out flyers for the 4 district AODA talent showcase, so if everyone could display the flyer as they are able. Still looking for judges, if interested talk to Ethan.
- AmeriCorps update: Kalea reported that she will be attending a training the week of January 9th in Wisconsin Dells. Kalea discussed the ATI tagging event that is going on from now to 01/23/12. Please send to Kalea who will send to the coalition so we can vote who wins. The winner will receive a ATI sweatshirt. Kalea is also working on looking for grants for the FRC as well as helping out at the Christmas party on 12/22/11. Also working on the Shamwalk 5K fundraiser.
- Big thanks to the Copy Shop – Terry and Joyce Nesvold for the generous donation of the pre-printed save the date postcards for the 5K. (Terry is a partner in the coalition).
- Minochigedaa update: no update, Doug unable to attend today.
- Tobacco Initiative update: Diane reported she dealing with yearend reporting and such.
- BCCFHL update: Dean not unable to attend today. Next meeting is 01/18/2012 @ 6pm @ SCT health clinic conference room and will be a potluck. Dean is wrapping up his data gathering and his report will be helpful for us going for the DFC grant.
- There will be another Take It Back Day in April – we need to decide if we would like to participate.
- NorthWoods Coalition update: Joe reports PWHLTM materials will be available soon and we plan on participating again this year. There was a DFC meeting in Barron last week and Lil attended. We are looking at having Julia Sherman here possibly the last week of February. There will be a conference call tomorrow @ 9am or a meeting @ Licks in Rice Lake @ 9am to finalize the details. We have allocated SPF-SIG funds for Julia to also come to Burnett County. SPF-SIG oversight committee is working on this.
- 2nd Annual ShamWalk/Run will be on 03/17/12. We are looking for volunteers. Also if you know of anybody who does medals locally please let Lil know. Save the date postcards were donated by the Copy Shop. The person who does chip timing is hard to get a hold off. Will we do chip timing or timing like we did last year – still discussing. Kalea is working on the T-shirts, getting the best price. We will need to ask for donations for snacks. Jessica double-checked with the school and since the school organization is involved we are good to go.
- Youth Leadership Day: Lil only got 1 email back from schools to see about availability. 9th-12th grade. Carl Olson seems to be the favorite speaker.
- DFC mentorship grant: Lil to went to Washington DC. The DFC grant is \$125,00/year up to 5 years. We would have 2 priorities to focus on – such as underage drinking and prescription drugs. We are being asked to apply for it now even though it is a 2 year mentor grant.
- 12/2011 is National Impaired Driving Month – Lil passed around the proclamation that was signed by the President.
- BCAAPC coalition grant had no part in funding the Washington DC trip – it was funded by the Rusk County ICAA/DFC mentor grant.
- Please sign the CIA's for sector representation.
- The next meeting is 01/23/12 in room 165 and will be a potluck.
